of

*Eastglen Composite
High School*

A black and white photograph of a large, modern high school building. The building is constructed of brick and features a series of tall, narrow windows with white frames. The architecture is characterized by clean lines and a flat roof. In the foreground, there is a paved area and a low fence. The sky is dark and cloudy.

A Message From Our Principal

When the bells rang out the old year and rang in the new on the first of January this year, newspapers and commentators vied with one another in attaching labels to the decade that had just ended. It has been described as the "Fabulous Fifties", and the new one just starting as the "Soaring Sixties".

There seems little doubt about the tremendous strides made by science in the last ten years, and it is reasonable to predict still greater achievements in the next decade. Observers agree that important "break-throughs" are imminent in man's conquest of his physical world.

The 1960 Graduating Class stands trembling on the brink of great events. The opportunities to share in these events are greater than they have ever been, and perhaps the only limitation placed upon active participation is the degree of preparation each graduating student has. Our society is constantly demanding more careful preparation and training for work of all kinds.

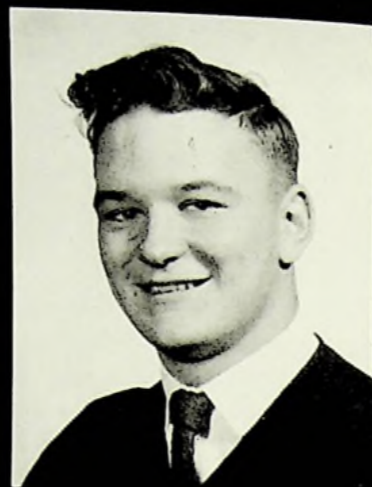

One disquieting note in an otherwise glowing scene seems to be an uncertainty as to whether the next step will be backward into world-shattering atomic warfare or forward into breath-taking journeys into outer space. The direction taken will depend upon man's ability to utilize his knowledge for the common good. Unfortunately, our knowledge of the physical world has greatly outstripped our knowledge of ourselves and our ability to understand and appreciate the problems of our fellow men.

You, as graduates into the "Soaring Sixties", will be faced with these problems as well as with the opportunities. We trust that your years at Eastglen have given you the knowledge that young people of your maturity should have, and the desire to continue to increase the fund of your knowledge. We know that you have the intelligence and ability to face the future with courage and confidence — your years in school have shown this. We hope that this school has helped to develop in each of you a faith in mankind, a sympathy and understanding of the problems faced by others, and a determination to share your part of the responsibility for the best utilization of man's vast knowledge of his environment. If all these things are so, you will join the ranks of Eastglen graduates of whom we are justly proud, and who are taking their places as responsible citizens of a wonderful country.

The best wishes of all of us — students and staff — go with you as we wish you "God speed".

YEARBOOK EDITORIAL

As I write this, the "Blue and Gold" staff is frantically working towards a May first deadline. With all the confusion which has resulted from things not done, photos not in, writeups not complete and editorials not written, one wonders is it worth the effort?

The Yearbook is "big business" in terms of any other activities sponsored by the school. Well over three thousand dollars was collected and spent this year to produce the Yearbook. A group of twelve students and two teachers comprised the Yearbook staff while others helped in the soliciting of advertising.

Of these twelve students each should be mentioned for his or her contribution.

The Assistant Editor, Peter Ward, aided in several departments, especially with the new photo system in effect this year.

The Financial Staff, composed of Ron Rowswell and Laurie Becker, did a wonderful job of keeping our books straight and getting the bills out promptly.

One of the most difficult and least recognized positions is that of Advertising Manager. This position was very capably filled by Elwood Johnson, with Karen Vollan assisting.

Another important position is that of Composer. John Lewis's success at this job is evident by the product you have in your hand.

Scott Allison, Assistant Composer, is responsible for all spelling mistakes (if any) which occur in this annual.

Diane Key, as Features Editor, did very well in getting all the articles in on time. She had a particularly difficult position considering that she had to have someone write up every club, team and activity that existed during the year.

The minutes of our highly entertaining and often disorderly meetings were very well kept by our Secretary, Cathy Diamond.

Two of our members, Alex Seminuk and Bill Woywitka, did an excellent job on activities and sports writeups.

Special thanks are due Art Carlyle and Peter McPhee who helped save us money by taking the club and team photos.

The staff this year was entirely new to yearbook work, and the sponsors, Mr. Bourgoin and Mr. Taylor, were a great help in showing us what to do.

Looking back at this year's problems, trials and successes, I think I can say for the entire staff — "We, the Staff of Blue and Gold 1960, have learned a great deal, enjoyed the work tremendously, and hope you, the reader, enjoy our product."

NEW TEACHERS

MISS B. M. BARKER

Miss Barker was born in, and went to school at Okotoks, Alberta. She has taken a four year Honors English course and has a Bachelor of Arts and a Bachelor of Education degree. She taught at Stony Plain and at Camrose before coming to Eastglen, and her opinion of our school is, "A good school, interesting students and a congenial staff." Miss Barker teaches English, Literature, and Language.

MR. R. T. BLACKLOCK

Mr. Blacklock, who teaches Math. 10, 20 and 30, was born in Edmonton and attended Strathcona Composite High School. He has his B.A. from the University of Alberta and attended the University of Minnesota last year, but has not completed his course there. Before coming to Eastglen, Mr. Blacklock taught at Worsely High School in the Peace River district. He "enjoys teaching" at Eastglen. Mr. Blacklock is single.

MRS. C. J. BROOKS (Miss C. J. Nicholl)

Mrs. Brooks (Miss Nicholl at the beginning of the year) was born in Stettler, Alberta and attended Strathcona Composite High School. Mrs. Brooks, who teaches Physical Education, Language and Literature 10, "likes Eastglen very much". She received her Bachelor of Arts degree from the University of Alberta and this is the first school in which she has taught.

MR. J. D. CAMPBELL

Mr. Campbell, who teaches Bookkeeping, Typing and Record Keeping, was born and grew up in Nordegg, Alberta. He will receive his B.Ed. this summer from the University of Alberta. This is the first school in which he has taught, but he thinks it is an excellent school and especially likes the friendly atmosphere.

MR. W. DYMIANIW

Mr. Dymianiw was born and went to school in Saskatchewan. He received his B.A. (P.E.) at the University of Alberta. Although this is the first school he has taught in, Mr. Dymianiw was employed in Edmonton by the Y.M.C.A. and the city recreation department. He is married and has one son. His opinion of Eastglen is, "pleasant and interesting".

MISS E. M. EIBEN

Born and educated in Edmonton, Miss Eiben taught in Eastwood and MacDougall before coming here. She obtained her B. Ed. from the University of Alberta and teaches Math 10X, Foods and Nutrition 10, and Fabrics and Dress 10. She thinks Eastglen is "very large".

MISS D. ELLIS

Miss Ellis was born in Kamsack, Saskatchewan, but attended Scona Composite High School and the University of Alberta here in Edmonton. Before teaching at Eastglen, she taught at McKay Avenue School. She taught Language 10 and 20, and Literature 10 and 20 during her period at Eastglen.

MISS L. J. HANNOCHKO

Miss Hannotchko, who was born in Edmonton, but lived mostly in Two Hills, teaches Literature 10 and 20, and Language 10 and 20. She obtained her B.A. and her B.Ed. from the University of Alberta. Eastglen is her first school, and she likes it and its students.

MISS B. E. J. McBRIDE

Born at Olds and educated at Edgerton, Miss McBride obtained her B. Ed. at the University of Alberta. She taught grade 9 at Wainwright before coming to Eastglen and now teaches Lang. 10 and 20, Lit. 10 and 20 and Math 10. She thinks that Eastglen is "a fine school and interesting to teach in".

MR. O. C. MIX

Mr. Mix was born and attended school in Vulcan, Alberta. He received his Bachelor of Education degree at the University of Alberta and has taught at such city schools as Virginia Park, Bellevue, and Idylwyld as well as rural schools. Mr. Mix also taught for a year in England as an exchange teacher. Through the year he taught several literature, language, and science courses. Mr. Mix's opinion of Eastglen is "A truly fine school; an eager, responsive student body and a co-operative, enthusiastic staff are the paramount qualities which make it so." Mr. Mix is single.

MISS E. M. MONDEA

Miss Mondea was born in Edmonton and attended Eastwood and Victoria Composite. She has her B.A. and is working on her B.Ed. This is the first school in which she has taught. Her opinion of Eastglen; "I like it here very much and find the students and staff very good to work with".

MR. M. C. RUDE

Mr. Rude was born and educated at Westlock, except for one year of High School, which he took at Scona Composite High School. He attended the University of Alberta for over four years to obtain his B.A. and needs another summer for his B.E. This is his first school and he teaches Lang 10 and 20, Lit. 10 and 20. He thinks Eastglen is "a lovely school," and that he "enjoys teaching here." Mr. Rude is married.

MR. R. S. TENOVE

Mr. Tenove was born in Edmonton and received his early education in Abbotsford, B.C. and in Edmonton. He has his B. Ed. from the University of Alberta and did post-graduate work in biological sciences. He taught Science 10 and 20 and Math 21 in the fall term. Unfortunately he was not with us for the second term. Before coming to Eastglen he taught at Memorial High School, Stony Plain, and at Salisbury High School. Mr. Tenove, who is married, says of Eastglen, "Its broad programme offers a fine opportunity to students of differing interests and abilities. Any school is only as good as its students make it, and Eastglen has some fine students".

MISS V. M. E. ULLMAN

Miss Ullman was born at Harker, Alberta and went to school in the Stettler district. She obtained her teacher training at Camrose Normal School and her religious training at Emmanuel College in Toronto and the United Church Training School. She also has her B.Ed. from the University of Alberta. Besides teaching in several central Alberta schools, Miss Ullman served in the Wrens during the war, acted as Field Secretary for the United Church of Canada and as General Secretary of the Cornwall (Ontario) Y.W.C.A. She teaches Lang 10, Lit. 10, Psychology 20, Social 30, and P.D. and says of Eastglen, "If not THE best, then one of the best. I enjoy my teaching and the association with others."

Graduands

Honourary President's Message

EDNA E. THOMSON

I hope this time of Graduation will be a happy occasion for you. It is a time for glancing back, but more than that, a time for looking forward. The word "graduation" derives from graduare, meaning "to go step by step". Each grade in school has been a step for you, hasn't it? Then, graduation is still another step along the stairway of your life. It isn't the final step, but rather a landing, a place at which you stop to consider where you will go from here. May you do well enough to command a good view — may your landing be a high vantage point — so that you can see afar, not being limited in what you can choose for your life's work.

I hope that during your years at Eastglen you have gained knowledge which will be useful to you in the lifework you have chosen; that you have made friends here who will always be your friends, even though you may be separated by distance or by difference of vocation; that you have developed new interests that will be the means to your enjoying the many facets of this wonderful life; that you have learned self-discipline which will help you work hard and do faithfully the tasks which are not always pleasant to do. If these things be so, I am sure that you will always look back upon your days at Eastglen as good days, and happy ones.

VALEDICTORY

RUTH EDGAR

Ever since we were small we considered Grade Twelve a pinnacle of achievement but only half believed we would ever get there. It was too hazy, too far in the dim future. Grade Twelve seemed like an end, and we really never thought beyond it. Now that we are here, we realize that the end of high school is only a beginning, and not even the beginning of an end, but, to borrow from Winston Churchill, perhaps the end of a beginning.

We are the class of '60. We are told we are possessed with great potential, but that does not mean we will move on to become Prime Ministers or great statesmen. Very few of us will reach high positions. Most of us will settle down to the routine jobs that must be done: some will be businessmen, some will be clerks or tradesmen or professional people. Many of us will be happy to be housewives. Whatever we may do, tonight in a way, marks the first page in a new chapter of our young lives.

Ours is a changing world and we don't know what great changes will take place within the next twenty years or even within the next two. We must be prepared for anything by keeping our minds open. Abraham Lincoln said, "You can't escape the responsibility of tomorrow by evading it today".

May it never be said of us that having come to an open door we closed it. Even though we little realized it, doors have been opening all around us since we began to make our own decisions. An open door awaits us in the last week of June, and it is our choice whether to close it or walk through.

These twelve years of school, especially the past three, have flown so fast that we had not had much time to stop and ask ourselves where we are going. We have been so worried about that social exam, whether our team would win the next basketball game, and whether we would ever be able to fit our homework into our intricate schedule of more important activities, that we haven't had time to take our eyes from the ground. Where are we going? Each of us has his own answer, and probably the answer will change from time to time as new insights become ours. But we have some idea of the path we will follow, and we are just about to take the first big step.

We are grateful to those people who have been helping us to get ready. We hesitate, perhaps, to admit it, but we are indebted to our teachers, parents, and counselors who have been so patient and understanding in their guidance. As time goes by, we will forget the trivial annoyances, the bad marks, and the hectic exam week, and we will retain only the good and pleasant memories of our school days.

Tonight we bid our formal farewell to Eastglen. In a few weeks we will be leaving these halls. They have been good for us. We hope that we have been good for them. Good-bye, Eastglen, and good luck!

1960 Graduating Class History

The year 1956-57 was a hectic one for most of us. We were in Grade 9 that year, and fervently studying for our first set of Departmental examinations, which we hoped would give us admission into the exclusive clique of people known as High School students. We studied earnestly, and at last, in August, our results came. We had made it!

Our first day at Eastglen was an enjoyable mixture of confusion and order, as we tried without success, to make our timetable work out. The subjects followed by 10's 11's, and 12's, soon had us completely befuddled. However, after two weeks had passed, we felt we were finally worked into the order of things, and began studying diligently (!) for Grade 10. This peaceful state of affairs was soon mercilessly shattered by that now extinct day of horror — "Frosh Day". Dressed in ridiculous costumes, complete with the latest make-up, we were subjected to the most inhuman treatment by the seniors. The day was topped off with a "frosh" court, which mildly resembled the Salem with trials. But I still think we had more fun that day than the seniors. Soon after this, the football season got under way, and we all joined in, either as player or spectator. That year Eastglen's "Blue Devils" capped both the junior and senior football titles. The "House System" was new to us, and none of us will ever forget the fun we had playing house league sports, and participating in the "lits" presented by each house. One of the high points of the year was the year play, "Cradle Song". While some of us acted in the production, most took an active part in other phases such as staging, costumes, and ticket selling. With the coming of school elections, we all sported numerous campaign buttons, and since we formed the majority of the school, the seniors treated us with the utmost respect, at least while the elections were going on. Our exams that year were tougher than in Grade 9, but we all managed to pass, and looked forward to being "sophomores" rather than "frosh".

We entered our Grade 11 year with a feeling that we were now a part of the school, and belonged. That year, the school arranged our timetable for us, so, in no time at all, we settled right down to business. That is, until "Frosh Day" rolled around. Instead of being the oppressed that year, were the oppressors, and we played the role superbly. If the seniors had been hard on us the year before, we outdid them twofold, or so we thought. The day was its usual merry self, and we all, neglecting the frosh, enjoyed it thoroughly. Our football team that year, although not retaining their championship, gave us some great football to watch. The year play that year was "Cloud 7", an hilarious comedy. Again, many of us took part. The school elections

ROGER
MORE

saw most of us take a more active and interested role than collecting campaign buttons. Some of us ran for office, while others took part in the campaign. We all studied hard (!) and passed our Grade 11 exams. At last we were there, on the threshold of our last year in High School!

We all entered our Grade 12 year at Eastglen resolved to avoid the well known "five-year plan". As seniors, we assumed the role of elders of the school. We knew Grade 12 would be the toughest year of our High School, so we all studied a little harder than usual. Instead of having all the "houses" put on "Lits" that year, all the "houses" contributed talent to put on "Musical Madness" — a production in which many of us took part, and all enjoyed immensely. Our school dances were the best ever, going by such names as "Bunny's Bounce", "Sno-Ball" and others. Many of us participated in football and basketball, and all were avid spectators at most of our games. The year play this year was "Mrs. McThing", and is considered by many to be Eastglen's finest year play yet. Some of us played roles in the play, and most of us who saw it thought it was terrific. Our Christmas and Easter exams gave us many a shock, but prepared us well for the inevitable departmental exams. Plans got rolling for the Graduation celebration on May 7th, which would be a finale to our years at High School. We will never forget the beauty and significance of the Graduation exercises in our Auditorium on May 6th. The next evening found us at the Jubilee Auditorium at our formal Graduation Dance, an occasion which will linger long in our memories.

Our years at Eastglen have enriched and extended our lives greatly, physically, spiritually, mentally and socially. We have made contacts and gained ideals which will remain with us throughout our lives. To Eastglen Composite High School and its faculty, I say on behalf of the 1960 Graduating Class, these three years have been some of the best years of our lives, and we humbly thank you.

GRAD PROPHECY

1980! We are on the moon to see how Eastglen's Grad Class of 1960 has progressed with their graduation project — civilizing the moon. Our rocket ship designed by Bells, Cessford, Dorosh and Dubray, piloted by Bill Renner with stewardesses Grace Grams, Shirley Cebryk, We Diane Jeffels and Madelaine Ballantyne sped us through space. We landed safely at the Moonland rocket-port where we were greeted by a reception committee headed by Bernie Bradley, president of the Moonland Chamber of Commerce. Bernie ushered us through Customs where we met Dennis Medwide of the Royal Moon Mounted Police, and police-woman Nancy Heuer. They regarded us suspiciously at first but when we presented our Eastglen I.D. Cards (Horrors!) they let us through.

Great progress was being made! Giant Stratoscrapers designed by architects Gerrit Kasteel and Bill Andrusiak were being erected by the engineering firm of Sinclair, Clare, Archenick, White, McVee, and More. As we admired the structure, were knocked somewhat cold by a moonbeam dropped from above (clumsy Sinclair!) and whisked away to hospital in Wally's Edsel.

At the Moonland Hospital, we were admitted by Superintendent of Nurses Lauretta Wright and her capable staff including nurses Dobbie, Hougland, Monro, Loewen, Stam-baugh, Trotter and Ross. Medics Betty Mandryk and Henry Vissher revived us, stitched us together, and invited us to tour the hospital. Here we saw many more Eastglen Alumni: X-Ray technicians Dave Gourlay and Jacquie Hudson; instrument technicians Ron Norman and Mike McNabb; and lab. technicians Dianne Roberge, Susan Rourke, and Sharon Cameron. In the kitchen we found dietitians Betty Barr and Darlene Haswell perfecting recipes for green cheese-cake and in the drug-store we saw pharmacists Marion Markowsky, Judy Martindale and Bob Dean inventing some new vitamins.

When we left the hospital we planned to visit dentists Jack Miller and Gerry Olenyk but thought better of it and left our calling cards with their good-looking assistants Sharon Gunderson and Brenda Smith.

Visiting the offices of the Moonland Gazette, we encountered editor Rite 'n' Brite Lila Toope and City Editor Sharolyn Linegar editing the day's paper. Artist Ron Ostapuik was busy with his horror cartoon series, "Life in Room 110". Down in the boiler room we saw Mr. Bastian, Doreen Guthrie, and Larry Heron collaborating on their famous documentary series, "The Corn Club". Glancing through the Gazette, we read the following headlines:

- "Bunny McLean Bowls Perfect 500!"
- "Joan Horn Opens Moonland Dating Bureau"
- "Ian Meikle Sells 1,000,000th Vacuum Cleaner"
- "Bud Shirley Promoted to Admiral of Royal Moon Navy"
- "Janice Rusnak and Darlene Pasemko Start Driver's Training School"
- "Moonland Blue Devils Starring Bruce McGregor Beat Venus Red Men 100-0"

"Moon Symphony to Feature Guest Artists Priscilla McLean, Judy Kreyanoski, Scott Allison and Bob Flose in Concert Tonight"

"Livingstone and Mathison Tried for Fraud"

After reading this last head-line we rushed to the courthouse where we found accountants Sadler and Smolce testifying before the Diamond Royal Commission. The Commission, made up of Cathy Diamond, Cloyce Ryland, Neil Gourlay and Rech McNabb, was investigating Jim L. and Loraine M. who were accused of actions involving Moonland Bank. Psychiatrist Barry Bragg stated that both defendants were undergoing psychiatric observation and suggested that the case be reviewed at a further date.

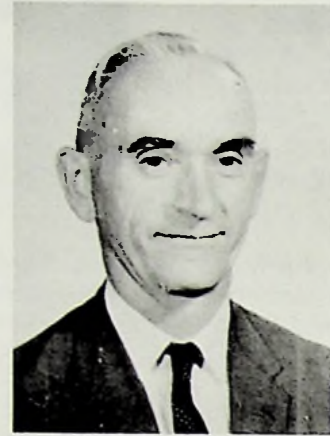

Leaving this shocking scene, we ran into missionaries Bob Ingram and Irene Rasmussen who were accompanied by social workers Lois Donald and Madelaine Jones. The four were just leaving for the planet Saturn to improve conditions there.

Our next stop was Moonglen School where we found secretaries Joan Bonner, Mary Ann Potter, Karen Northill and Glenna McConnechy busily sharpening pencils for the principal, Mr. Ted Conford. In the classrooms, we saw Miss Barb Dahl, Miss Maryke Leenders and Mr. Harold Conquest teaching the little monsters. Forest Ranger Bill Macaulay was giving a special lecture to the biology students. Miss Pam Cottle was putting her phys. ed. classes through a strenuous round of cales-thenics (fold-flings) and Mr. Barrie Clarke was directing the fabulous year-play (Mrs. McMoon). In the rotunda, we saw an impressive picture of U. of A. graduates including Colleen Forster, Ruth Edgar, Judy Gates, James Koshman, Bob Otto and Ron Rowsell.

Then the buzzer sounded and we quickly made for a favourite haunt — Moonland's version of Jamison's. The interior design by Lassie Chalmer was very earth-like and modernistic — with a red plastic bucket hanging from the ceiling. In Jamison's we saw some of our old cronies: Iona Ostermann, Tom Gable, Ted Bellamy, Sandra Park, Warren Price, and Bob Ewanchew. It just seemed like home — we sat, sipped moonshine, and reminisced about our 1960 Graduation Day. 'Our day on the moon was a day like all days — filled with those events which alter and change our time — and We Were There!'

Grad Class President's Message

Preparations for the Graduation exercises and banquet began early in November when the executive and room representatives were elected. This year's graduating class was very fortunate in having Miss Thompson as Honorary President and Mr. Allison as Honorary Graduate.

On May 6, the exercises were held and addresses were given by valedictorian Ruth Edgar and class historian Roger More.

The following night, May 7, the formal banquet and dance, which had as its theme "Golden Gateway" was held at the Jubilee Auditorium. At the banquet Bernie Bradley proposed the Toast to the School and Miss Thompson replied. Joan Bonner sang a solo and Priscilla McLean played a piano solo. Ken Dewar proposed the Toast to the Graduates — Doreen Guthrie replied. Shirley Parker gave the Grad Class Prophecy. Mr. Allison was presented with an engraved ash tray by the Social Convener Glenna McConechy, on behalf of the graduating class.

Graduation 1960 will always be fondly remembered by the grads as the turning point in their lives.

To Mrs. Neilson and Mr. Cotsman we extend a humble and sincere THANK YOU for guidance and assistance given to the Grad Class Executive.

DOREEN GUTHRIE

Graduation Dance and Exercises

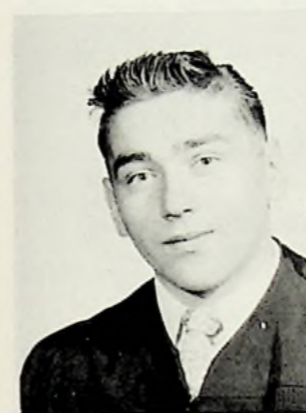

The Eastglen Graduation Exercises were held in the school auditorium, Friday evening, May 6. As soon as the 250 graduates had marched down the aisles to their places, Reverend W. T. Briggs of Beverly United Church gave the Invocation. Mr. C. J. Allison, Assistant Principal, gave a few opening remarks, and then introduced Mr. G. R. Conquest, Assistant Superintendent of Secondary Education. Roger More, Class Historian, read the class history. David Walden entertained with an accordion solo. Behind the scenes Mr. Fernuik was busy arranging the graduates and giving them last-minute instructions on receiving their diplomas. After each graduand had made the longest march of his life—all the way across the stage—he received his certificate from Mr. W. O. McLean, Assistant Principal. Bernie Bradley, Students' Union President, introduced Ruth Edgar, Class Valedictorian, who read the valedictory address. John Lewis provided a piano solo, Moonlight Mood. Mr. S. G. Deane, principal, introduced the featured speaker of the evening, Miss Mary Morrison, a medical social worker at the Colonel Mewburn Pavilion, whose address was most thought provoking. After the graduation exercises, the graduands and their parents enjoyed tea in the cafeteria.

On the following evening the Graduation Dinner and Dance was held at the Jubilee Auditorium. The dinner commenced at six thirty, when everyone sat down to a delicious turkey dinner. Class President Doreen Guthrie started off the after-dinner speeches with the toast to the Queen. Following this, Doreen introduced the Students' Union President, Bernie Bradley, who toasted the school. Miss E. E. Thomson, the Honorary Graduating Class President, gave the reply. Following her fine remarks, Glenna McConechy, Social Convener, presented her with a beautiful bouquet of roses.

Joan Bonner, accompanied by Janice Rusnak, sang beautiful renditions of two favorites, "Over the Rainbow", and "Look for the Silver Lining". Shirley Parker then presented a very interesting Grad Prophecy. Priscilla McLean played a beautiful piano solo. Ken Dewar next proposed a toast to the Graduands and Doreen Guthrie replied. Eastglen's Honorary Graduate for 1960, Mr. C. Allison, closed the dinner with a humorous speech, following which he was presented with a gift.

Soon afterward the dance began, and although only an unusual three-piece band provided music, everyone made the best of it and had a good time, particularly during the Virginia Reel. With the addition of a fourth piece, a set of drums, to the band, things livened up even more, until at midnight everyone formed a large circle and sang "Auld Lang Syne."

Sports

THE ATHLETIC YEAR

THE GIRLS' VIEW

No well-rounded school is complete without a sports program, and this year's events were a credit to Eastglen.

Girls' sports began with volleyball. In the intramural section the winning teams from both the junior and senior leagues showed up very well by coming in second at the high school volleyball party at Ross Sheppard. The Senior Interschool Volleyball team, coached by Mrs. Brooks, and the Junior team, coached by Miss Hannachko, were comparatively equal in strength and showed up well in their leagues.

"Milk Carton Bowling", tried for the first time last year, was continued again this year to fill the gap between volleyball and basketball. Something quite different, it proved to be both interesting and enjoyable.

Eastglen girls once more honoured our school with a city championship. The Senior Girls' Basketball team, after defeating St. Mary's in a sudden death play-off, won the Senior Basketball Championship. They received the Hudson's Bay Cup for their victory. The Junior team also put up a good fight in their league. Intramural basketball was run under the same system as volleyball, and it too proved to be successful. The winning team of the senior league was undefeated and came in first at the basketball party at Bonnie Doon.

After volleyball and basketball were over, we once again looked ahead to track and field. Good turnouts and enthusiasm was evident among the girls and the girls captured the Junior Girls' Aggregate Trophy.

Much credit is due to the organizers of the intramural sports and also to the teachers who supervised noon sports activities. Thanks must also go to the teachers who coached and supervised the interschool teams. These people made the sports program possible.

THE BOYS' VIEW

With the end of another school term at Eastglen comes the end of a very successful year of sports activities.

Because of the students' great interest in school sports, Eastglen was among the top contenders in every athletic field. The teams enjoyed much support from many faithful Eastglenites who turned out to cheer on our teams in every event.

Even though only one High School championship was achieved during the year, the teams displayed excellent school spirit and sportsmanship; they were very fortunate to be under the leadership of such capable coaches.

Intra-mural sports such as flag football, basketball, baseball, and track and field have played an important part in school activities.

Enthusiasm ran high in each of these sports, and many thanks are given both to participants and those who acted as coaches and officials in these games.

One of Eastglen's greatest assets was its track and field team. Many students devoted much time and effort to training and due to this the team successfully defended and thus retained the championship from the previous year.

If future sports activities at Eastglen are as successful as this year's have been, we will win many championships in the years to come.

SENIOR FOOTBALL TEAM

Second Row—Left to right: Larry Chaney, Bob Dean, David Walden, Jack Engle, Ed Friss, Albert Shaw, Ernie Buzak, Stan Hayden, Bernie Bradley, Ron Clair, Jim Williams, Bill Napier, Dave Gourley, Ken Anderson, Mr. Allan (coach).
First Row—Left to right: Alex Christophers, Pete Turyk, Bill Renner, Bill Woywitka, Bruce MacGregor (captain), Wayne Thirwell, Ernie Sigaty, Bob Archinuk, Bob White (co-captain), Dick Friss.
Missing: Ed Brown.

Senior Football

Eastglen's senior team had the potential of a championship club. However, a few bad breaks at the beginning of the year cost them this honour.

In the first game of the season Eastglen fumbled twice on the opponent's 3-yard line. These fumbles led to a 14 to 1 defeat at the hands of St. Joes. From there the Eastglen team lost only one more game, 9 to 1 against Bonnie Doon. Eastglen then tracked down Ross Sheppard 9 to 1, edged Scona 1 to 0, and scalped the Victoria Redmen 14 to 6. The highlight of the season was the game with St. Mary's. Eastglen's powerful offence steam rolled over St. Mary's, chalking up 35 points while its defence stopped St. Mary's cold.

Last year Eastglen said, "Wait till next year." This year has come and gone and the result—"Wait till next year."

Eastglen's great success can be credited to Mr. Allan, who spent endless hours coaching the team. The members of the team would like to express their appreciation to Mr. Allan, the best coach in the league.

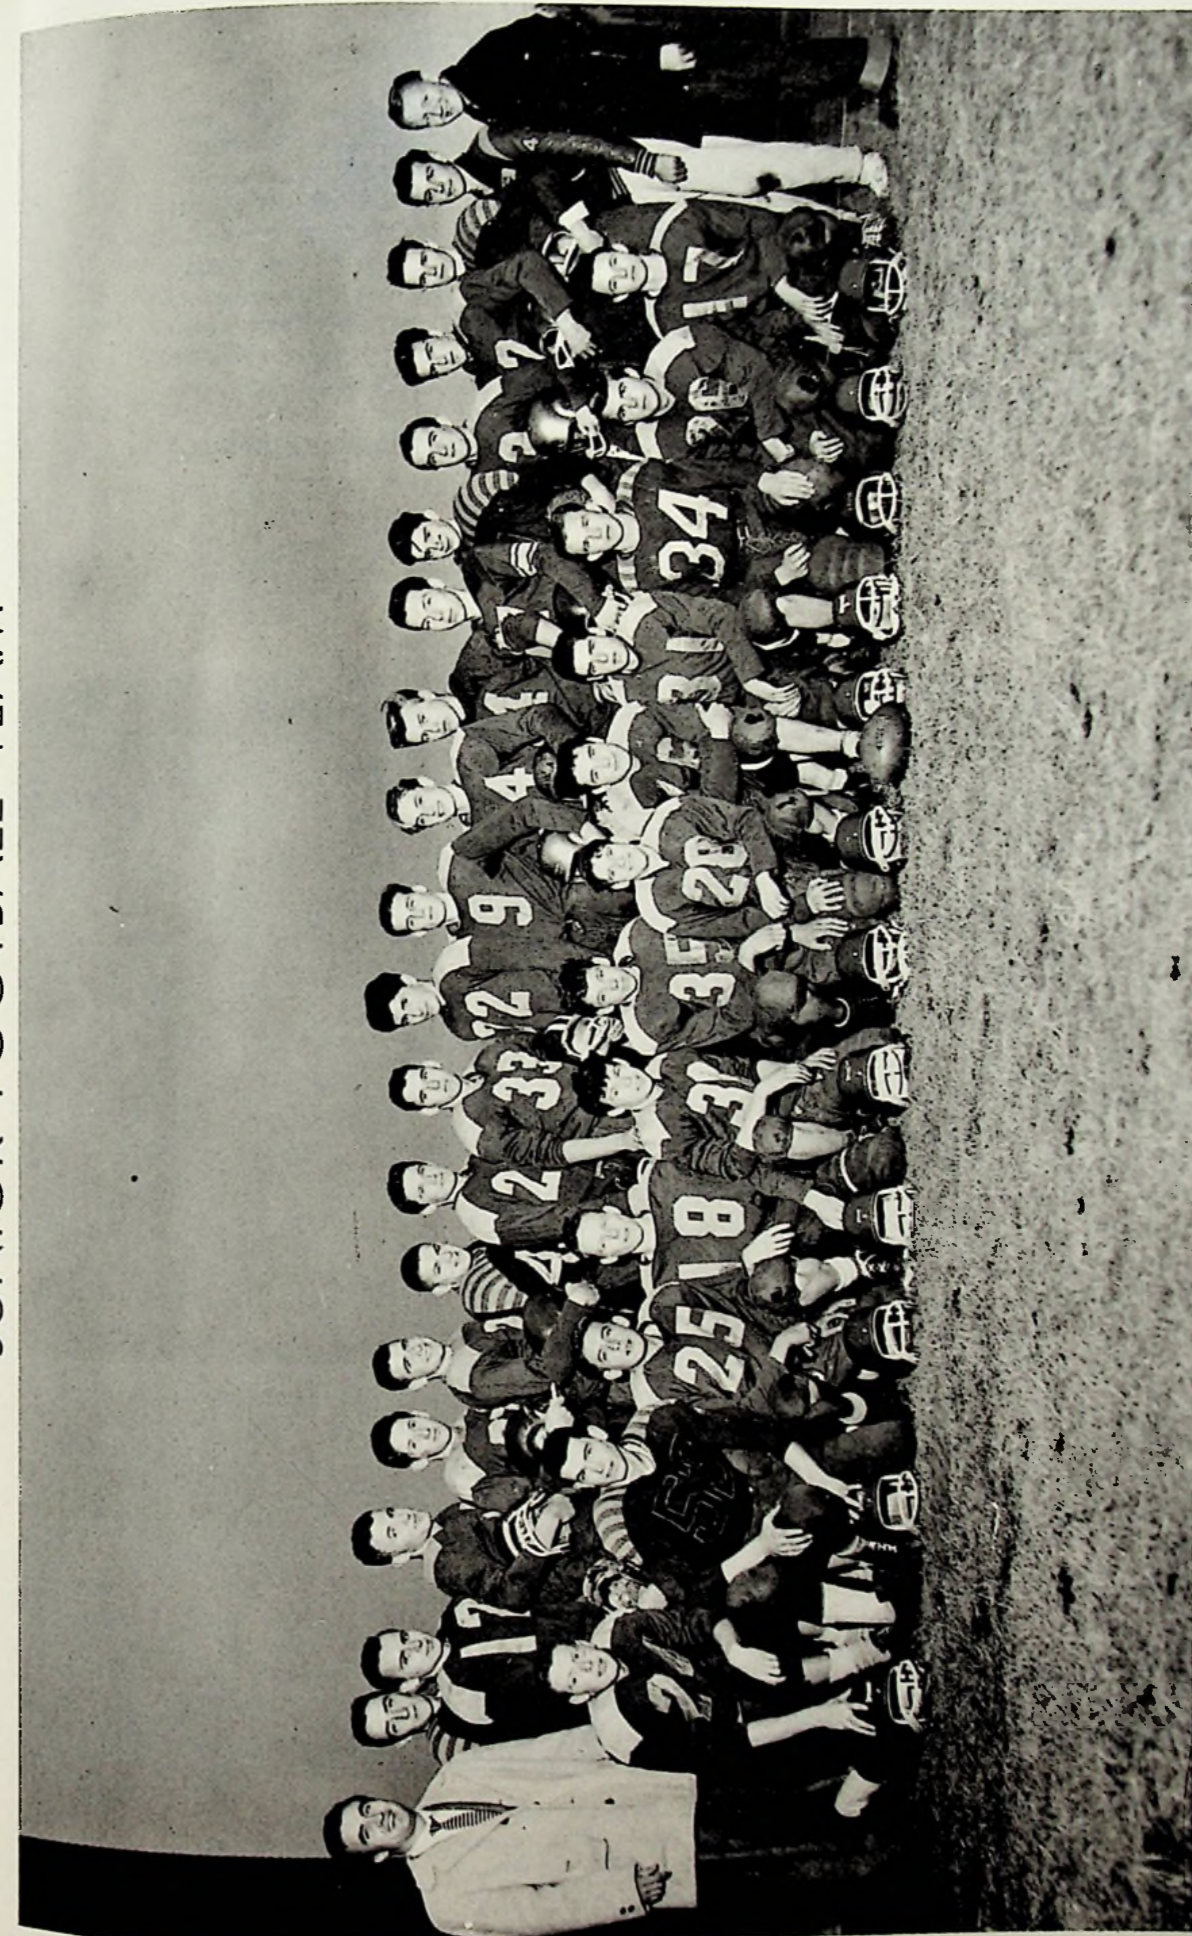

Junior Football

Eastglen's Junior Football team was not at the top of the league, but the members practised and played hard.

The team started off in fine fashion by deadlocking St. Joe's one to one. Through the remainder of the season Eastglen showed great spirit against the stronger opponents. The team downed Scona 14 to 0, but were defeated 22 to 0, 26 to 0, 19 to 0 by the powerhouses of the league. Eastglen stood sixth in the schedule with 2 wins, 1 tie and 3 losses.

Mr. Falkenberg deserves the heartfelt thanks of the team for his efforts in coaching during the season.

JUNIOR FOOTBALL TEAM

Second Row—Left to right: Mr. Falkenberg (coach), Robin Cochrane, Jack Barrigan, Albert Cleveland, Garry Carson, Wayne Currie, Richard Hein, Richard Antoniak, Norm Kilarski, Gary Addley, Ken Maudie, Harry der Nederlanden, Dale Johnson, Arnie Schonert, Cornelius, Joziase, Allen Orr, Fred Carmichael, Ron Douglas, Wayne Peterson (trainer) John Melville.

First Row—Left to right: John Heard, Ian Graham, Ken Derpack, Jim Bradshaw, Gary Hanson, Ken Sigaty, Nick De Hoag, Wayne Carlson, Len Karran, Helmut Herder, Bill Chadderton, Jim Gilbert.

Senior Boys' Basketball

The 1959-60 Senior Boys' Basketball Team had perhaps the best season of senior basketball in Eastglen's history. They played fine basketball throughout the season, and exhibited great desire, hustle, and sportsmanship. It was Eastglen who snapped Strathcona's winning streak at eight games, and it was Eastglen who shattered the play-off hopes of Ross Sheppard in short, Eastglen was the giant-killer. As a result, our boys ended the season holding the fourth and last play-off spot, with a 7 to 5 won-lost record. In the semi-final, against Bonnie Doon, although they fought doggedly, our boys lost 52 to 42, and we must be proud of the great season the team had, and hope that next year they will do even better.

Special thanks must be extended to Mr. Allen for his fine coaching of the team.

Front row: William Renner, Ron Larmour, William Illerbrun, Bernie Bradley.
Back row: Dave Gourlay, James Williams, Clayton Ellis, Ernest Buzak, Stan Hayden, Lawrence Koncur, Mr. J. Allan (coach).

Boys' Junior Basketball

Although the Junior Boys' Basketball Team did not break their ten-year championship jinx, they came as close as possible to cracking it. The Junior team started in fine fashion by defeating St. Marys 51 to 19. Eastglen continued during the rest of the season in the same manner, averaging forty points per game against the opposition's twenty-eight. This gave the team a record of eleven wins and one loss. The highlight of the season came when the team played against Strathcona in the semi-finals: here the skill and sportsmanship of the team throughout the regular season reached its peak as Eastglen trounced Strathcona 63 to 32. However, Victoria edged Eastglen in the final game, 37 to 32. The boys of the junior team would like to express their sincere appreciation to Mr. Falkenberg who guided them to a season of such success.

Front row: Gary Addley, Edward Friss, Stan Hayden, Jerry Lack, Wayne Thirwell.
Back row: James Side, Lorne Tanton, William Woywitka, Ron Douglas, Mr. Falkenberg, (coach), John Vanzwoll, Pat Callahan, Ernest Sigaty, Ken Watson.

Boys' Interschool Volleyball

On April seventh and eleventh the volleyball interschool tournament began. The Eastglen grade eleven and twelve teams displayed their fine ability and sportsmanship by each winning four games out of the eight played. Both of the teams lost several close games which could have become victories as easy as losses. The teams would like to express their appreciation to Mr. Blacklock and Mr. Dymianiw for their coaching efforts.

In this volleyball season it was the grade ten team that sparkled. That team breezed through competition by winning all of their night games with decisive scores of fifteen to four, fifteen to six and fifteen to seven. The Eastglen team possessed all the qualities of a championship team, proving good sportsmanship along with tremendous ability make a winner. However, the skillful playing of the grade ten team could not have brought Eastglen the championship without the splendid coaching of Mr. Allan.

Senior Girls' Interschool Basketball

At the Bonnie Doon court, the Senior Girls' Basketball team captured the city championship, which they had been pursuing for the whole season. They were presented with the Hudson's Bay trophy after defeating St. Mary's in a sudden death play-off.

Because of Scona, whom we had beaten 33 to 8, this play-off game became necessary and was a revenge for the first and only loss we suffered. With the exception of the Ross Sheppard game which the team squeezed through by a narrow victory of 24 to 22, none of the other games were close.

High scorers for a most successful season were Daryl Adams, Mary Chomiak, and Gail Draeger. Captain of the team was Jean Dobbie.

Special thanks and congratulations go to our coach and sponsor, Mrs. Brooks, who spent many hours training the team.

Junior Girls' Interschool Basketball

The girls at Eastglen established a junior basketball team under the able leadership of Miss Bird and Miss Hannachko. Practices began two weeks before Christmas. The team consisted of eleven grade ten and grade eleven girls. Playing two exhibition games and five league games, the team won one game, tied another and lost three. Two of these three games were lost by a two-point margin. Although the team did not place first the team members and interested spectators had an enjoyable time.

Back row: Kathy Thomson (manager), Maxine Johnson, Linda White, Lynn Achesan, Glenna Thompson, Ellorie Yorchuk, Judy Kobelka, Miss Bird (coach).

Junior Girls' Interschchool Volleyball

This year the Girls' Senior Volleyball Team played twelve games against their competitors. Under the able coaching of Mrs. C. Brooks, the team won nine of their games and only lost three. The team placed third in the high school league. Team members were Jean Dobbie (captain), Vivian Houghlund, Darryl Adams, Mary Chomiak, Gail Draeger, Connie Ogurian, Beverly Dippie, Sharon Gunderson and Betty Vanderheide.

The Junior team, coached by Miss Hannachko, also took third place in their league. Team members include: Ellory Yurchuk (captain), Mary Alice McLeay, La Donna Hepner, Lorraine Jeandron, Vicky Trachinowich, Mary Facer, Judy Alton, Alberta-Kleine Deters, Maureen Johnson and Judy Backalak.

Although the team didn't take first place, the Eastglen girls displayed good sportsmanship and showed much skill. Both team members and coaches had an enjoyable season.

Girls' Intramural Basketball

The basketball season opened the first week in March and lasted until April 8. There was two leagues.

The grade 10 league consisted of six teams which were formed in the Physical Education 10 classes. Each team played five games, playing each team once. The games were played on Wednesdays. The first three games were very successful, with each team mate coming out regularly. But the last two games were not as successful, with several teams defaulting. Play-offs were not held. Block 4 was the victorious winners, winning all their games. The team was coached by Lorraine Jeandron.

The grade 11 and 12 league was based on a different system, and was not as successful as the grade 10 league. The games were played on Wednesdays and Fridays during the noon hour. Teams were made up according to what house each girl belonged. This league also had six teams to start with, with each team playing five games. The season started off well but ended by having nearly all teams defaulting because of poor turn outs. The only teams not defaulting were Houses 2 and 4. A total point play-off was then held between these two teams with House 2 winning. House 2 was coached by Connie O'Gurian and Sharon Gunderson.

House 2 along with Block 4 represented Eastglen at the Basketball party held at Bonnie Doon High School on April 12. House 2 was successful enough to win all four games they played, therefore winning the house-league party.

Left to right—Front row: Bonnie Forrylow, Nancy Farr, Louise Hicks, Lenore Jennings, Jackie Foote, Muriel Gurr.

GRADE X

Left to right: Charlotte Best, Doreen Damery, Gail Heard, Wilma Vandenberg, Jeanie Larson, Miss Bird, Marilyn Martin (coach), Betty Salisbury, Glenna Thompson, Maxine Johnson.

This year intramural volleyball was played first instead of basketball with games being played on Wednesdays and Fridays.

The grade 10 league was composed of six teams according to their Physical Education classes. This system was very satisfactory although by the end of the season many games were defaulted. The winning team was Block 4.

The grade 11 and 12 league was based on the house system. There were four teams. The winning team was House 2 coached by Sharon Gunderson.

House 2 and Block 4 then represented Eastglen at the Houseleague volleyball party held at Ross Sheppard High School. Both teams played well but were not as successful at volleyball as they were at basketball.

Student Council President's Message

Another year is over and it will be remembered as a happy and successful one at Eastglen. This happiness and success has been made possible by the great co-operation between teachers and students. With the assistance of Students' Council and Students' Executive it has been a pleasure to serve as your Students' Union President.

On behalf of the Students' Council special thanks to Mr. S. G. Deane, Mr. G. Brown, Mr. A. Cotsman and all the teachers and students whose understanding and co-operation have made possible the proper functioning of the Students' union.

May every graduating student of the 1959-60 term have his or her goal and ambitions realized. May the undergrads have many more successful and interesting terms at Eastglen.

save \$100 to \$1,500

Most everybody has a dream that needs 'money-in-the-bank'. Perhaps yours is college . . . a long vacation trip . . . a car, or new clothes.

Well, here's the smartest way to make sure you'll have the money for it: start your PSP account today!

With PSP, you simply select your savings goal—and then save, by *regular* monthly instalments. And of course, you get a cash bonus, too.

Another feature you'll like about PSP, is *life-protection*. In case of decease, your beneficiary will receive not only *all* the payments you have put into the account *plus* a cash bonus, but also the *full amount* you set out to save. Start *saving*—the PSP way!

GIRLS' ARCHERY CLUB

Left to right, Front Row: Mory Alice McLeay, Lois Hougland, Gloria Dunbar, Sherry Price, Barbara Nielsen, Dayle Carter, Lola Lammie.
Second Row: Sherrill Marshall, Bonnie Price, Nola Facer, Mr. Taylor, Gerry Carter, Bonnie Forfylow, Eyleen Bozok, Sandra Cooley.
Missing: Pat Blaine, Christine Cassels.

Secretary.....GLORIA DUNBAR
Treasurer.....LOIS HOUGLAND
Sponsor.....MR. TAYLOR

The Girls' Archery Club started in September with twenty-five members. At the first meeting the executive was elected and the meeting days were discussed. The club agreed to meet every Monday and Thursday at

noon in the rifle range. The names of the top ten archers were posted at the end of each week. From the fees collected at the beginning of the year, equipment was purchased. The archers shot from a distance of fifty feet; after a time the distance was increased to sixty feet, which is the standard competition distance. Everyone thoroughly enjoyed the activities of the club.

BADMINTON CLUB

Left to right, First row: Tom Visscher, Ken Dewar, John de Graaf, Malcolm Greenlees, Aubrey Tingle, John Sikora, Ted McDowell, Bruce Allison, Edwin Lindquist.
Second row: Miss Mondea, Barbara Finlay, Pat Brooks, Marilyn Martin, Cheri Belanger, Jeanie Miller, Ken Watson, Leslie Brygadyr, Bonnie Price, Donna Gerlock, Ron Barnes.
Third row: Margo Hull, Marna Marsh, Brian Constant, Roy Yakula, Jim Wright, Barbara Cox, Betty Armstrong, Helen Kesner, Bonnie Parslow, Dale Ross, John Cupido, Mr. Macmillan, Art Carlyle.
Missing: Doug Mulholland, Elwood Johnson.

The 1959-60 Eastglen Badminton Club had an exceptionally active year with a record membership of

seventy. Because of the exceedingly large membership, the Club was divided into two groups—one using the gym on Monday noons, and the other using the gym on Friday after school.

Co-sponsors of the Badminton Club were Miss Mondea and Mr. Macmillan. They contributed generously of their time and effort throughout the year.

The annual Club tournament was held at the beginning of April.

BOOSTER CLUB

Left to right, First row: Darlene Haswell, Donna Gerlock, Judy Alton, Miss Clarke, Betty Peets, Ken Dewar, Diane Holloway.
Second row: Rosemary Adams, Margaret Kopala, Lorraine Jeandron, Sharon Ballantyne, Mary Alice McLeay, Barbara Cox, Lydia Karpowich, Elayne Hendrickson, Sandra Beavis, Joyce Weizenbach, Alex Semeniuk.
Third row: Cathy Knox, Elinor Pollard, Pat Brookes, Gerry Hayman, Shirley Andrel, Pat Collins, Valerie Monro, Lola Brooks, Betty Armstrong, Donna Zipse, Joan Reynolds, Steve Russell.

The Booster Club was one of the newest and least recognized clubs in the school. In its two years of operation its membership increased four-fold—from ten members to forty. The male membership increased six-fold—from one to six. That made about six girls to each boy. The fellows didn't know what they were missing!

The main purpose of the Booster Club was to boost school spirit through promotion of school activities. This year the club played a major part in sports activities by chartering buses for football games, by leading cheers, and advertising for basketball and volleyball games, and track and field meets. Away from the sports world, the club helped to promote the "White Gift" campaign and the World Refugees Basketball Game. It provided workers for the lit, "Musical Madness," and it helped to promote ticket sales for the year play, especially in the junior high and elementary schools.

All in all, the club had a very successful year.

BOYS' CURLING CLUB

The Boys' Curling Club curled every Tuesday after school at the Thistle Curling Club. Mr. Taschuk did an excellent job of sponsoring the club as well as coaching two teams in the Kline Bonspiel and one in the Taylor and Pearson playoffs. The two teams in the Kline Bonspiel were skipped by Bob Mandlis and Bill Renner. Mandlis's team consisted of Stan Bladon third, Lawrence Koncur second and Ted Bellamy lead. They took the Consolation Prize in this event. Renner's team consisted of Jim Baer third, Jim Wright second and Bill

Smith lead. A team entered in the Taylor and Pearson playoffs composed of Stan Bladon, Bill Renner and Jim Wright, under the skipping supervision of Bob Mandlis. They went as far as to win the second berth in the Northern Alberta playdowns, but lost out in two hard-fought games.

The club championships were played off in the first part of March. Lawrence Koncur played against Gary Algot for the "B" section title. The finals between "A" and "B" sections were played off between Stan Bladon and Lawrence Koncur winner respectively. Stan Bladon's team, composed of John Stuttaford, Bob Ewanchew and Lawrence Gregoret, took the trophies, while Koncur's team, consisting of Jim Baer, Roy Yakula, and Clive Russell, placed second. All in all, the club had a very successful year.

MIXED CURLING CLUB

Left to right, Front row: Bob Ewanchew, Lenore Jennings, Unknown, Janice Crockett, Barbara Dahl, Stan Bladen, Bill Renner, Second row: Joyce Hantiuk, Brian Cotter, Unknown, Unknown, Graham Toope, Steve Thompson, Linda Doeling. Third row: Gary Algot, Michael Oakes, Gary Kearns, Malcolm Barr, Unknown, Unknown.

The 1959-1960 Mixed Curling Club consisted this year of sixty-four students divided into eight rinks, each rink playing a different one each session. After Christmas a round robin was organized by Stan Bladen and Bob Mandlis. This committee formed two sections —A and B. The culmination, prior to the Easter examinations, was a victory for Bob Mandlis (Team A)

and Jim Baer (Team B).

We would like to thank Mr. Fernuik, our staff sponsor, for his time and supervision. This year we had exceptionally good team spirit plus a barrel of fun. Next year we hope for a bigger and better turnout to keep this wonderful sport functioning at Eastglen.

This year the Dance Club returned to our school after an absence of two years, and again found its proper niche as one of the most popular clubs. Its many members were instructed in dances ranging from the cha-cha to the round dance, in accordance with the club's primary purpose of promoting social dancing in the school. It is hoped that the success and vitality of the 1959-60 club will encourage its continuation in coming years.

The club this year had a greatly increased membership of thirty-six. Of these, eight worked during their

spare periods, and twenty-eight worked before or after school. Club work involved checking books in and out, shelving books, making displays, typing catalogue cards, and preparing new books for the shelves.

Highlights of the year's program included a tour through Commercial Printers, a talk by Miss Alea Vikse of the Edmonton Public Library, a Christmas party, and a picnic held in May.

Interest in shooting was high at Eastglen this term. Our club membership was seventy-six, including fourteen girls. Surprisingly, among these young women were found our most avid and improved shooters. Club members learned working knowledge of rifles and shooting valuable for the rest of their lives. Shooting is a good

clean sport and despite the unfortunate accidents involving the careless gunner, the sport should be considered with an open mind as a possible recreation for young and old.

Since Eastglen's range has the best possibilities of any in the city, this year our executive and sponsors instituted an improvement programme. The club obtained a new gun rack, tables, two spotting telescopes of the best quality, and four first-class rifles with the best sighting equipment. We hope that in future years our club will continue to improve and to turn out good, safe riflemen and considerate sportsmen.

PHOTO CLUB

The Photo Club, under the sponsorship of Mr. Kelly, has spent a lot of time in making this one of its most successful years. This year, for the first time, we held a successful school-wide photo contest. Our darkroom, located this year in the book repair room, had the help-

ful additions of an electric timer, a print washer, and a safe-light. Our usual darkroom training methods were this year supplemented by instructive slides, helping us to make several members good at developing and printing.

With this year's larger membership and the interest focused on our club by the photo contest, we have every reason to believe that the Photo Club will have an even more successful year in 1960-61.

To promote interest in science is the simple purpose of the Science Club. During the year numerous lab experiments having to do with the identification of metals were successfully carried out. Besides these experiments various lectures by several of our Eastglen teachers were given. Mr. Deane lectured on the topic, "The Problems Facing Space Travel," Mr. Taylor gave a talk on digital computers, Mr. Tenove spoke on viruses, and Mr. Kolotyluk gave a series of lectures on Strontium 90.

Those students who showed a desire to continue in the field of science were given an opportunity to see what scientists do. One group of students attended experimental lab classes at the Alberta Research Council. After Christmas a second group went to University and attended Physics' lectures given by Dr. Trainer and Dr. Lipsom.

Towards the end of the year club members prepared and presented reports concerning oil and the processes necessary for its refinement.

This year the Science Club enjoyed a very successful program and it is hoped that the necessary number of students will be interested enough to form a similar club next year.

The Swim Club this year met every Monday from four to five p.m. commencing January 4 and continuing for twelve weeks. We shared the Victoria High School

pool during this hour with Ross Sheppard High School and spent our time improving our swimming skills.

The membership this year totaled fifty students who each paid a seventy-five cent fee.

The club members appreciated the time and work put in by our sponsor, Miss Clarke, and we wish to offer her our thanks.

Members of the Eastglen Table Tennis Club have been improving their ping-pong skill ever since the club was formed late in October. A continuous tournament, pyramid style, assured that each player would be in competition with other members of similar ability. Interest was keen as players moved up and down the

pyramid.

During the fall and winter terms several informal competitions among Eastglen, Victoria, and Strathcona clubs indicated that interest and skill would be at a high level for the second annual city high school competitions. Eastglen again was runner-up to the champion Victoria team.

Toward the end of the school year, our own club champions were determined from among the thirty members through formal tournament competition.

TUMBLING CLUB

First row: Barry Harryett, John Elniski, Bill Woywitka, Randy MacDonald.

Second row: Norman Kilarski, Glen Gordy, Jim Lawson.

Third row: Brian Yerxa, Ray Anderson.

The Tumbling Club entertained a small but enthusiastic group during the 1959-1960 term. Activities consisted primarily of tumbling, box horse and spring-board jumping, and balancing. The highlight of the

year was the introduction of the trampoline, which was made available to us through the courtesy of the School Board for a period of three weeks.

UNITED NATIONS CLUB

At its initial meeting, the U.N. Club elected its executive, including a Publicity Manager, and decided

to hold meetings on the first and third Thursdays of each month. During the year, these meetings, held in Room 224, featured speakers who were well-informed on topics of international interest. Films dealing with the Commonwealth and its problems were also shown. The U.N. Club also sponsored a UNICEF drive during October and a special meeting to mark United Nations Day.

WEIGHT TRAINING CLUB

Garry Carson, Dennis Foth, Fred Carmichael, Keith Bradley, Bob White, Marvin Shandro, Eddy Jelensky, Philip Gordon.

The purpose of the Weight Training Club was to present an avenue of conditioning and development of the physique. Boys joined this club for various reasons. It was a conditioner for those who played football,

swam, or participated in track and field, gymnastics, and other athletic events. Others simply wished to increase their weight and general strength. The club, initiated this year, enjoyed a membership of thirty.

Retrospect

The Year In Retrospect

Looking back over the 1959-1960 term at Eastglen revives many fond memories. For those who will not return for another term, as well as for those who will walk our hallowed halls for one or two more short years, each event means something special and something wonderful, each one to be treasured over the coming years.

For who can forget Welcome Week, an innovation, during which the freshmen, young and relatively inexperienced, trembled under the domineering glances of their seniors? But, at the time, even this experience soon faded as one was caught in the mad scramble of classes, examinations, and extra-curricular events that literally swirled one through the next nine months. While the dances, which consisted of the Frosh Hop, Schmoos Shuffle, Cupid's Leap, Spring Fantasy, Bunny's Bounce, and, of course, the Graduands' Dance; several Dress-up Days, United Nations Day, and Career Day, and the two highly successful productions—the year play, "Mrs. McThing", and the innovation of the combined-houses literary, "Musical Madness"—led one on a very merry chase within the school walls, the athletic field was not entirely devoid of activity or of honours. Football, basketball, volleyball, and track and field events not only brought distinction to our school but also boosted its morale. One can hardly believe that so much could possibly have been done in such a short time by such a small number of people.

But these many events did occur, and now all that remains is that torn ticket stub, that program, and that tattered school banner, each one of which will bring back a cherished memory when viewed—in Retrospect.

UNITED NATIONS DAY

United Nations Day this year was again held in conjunction with the annual UNICEF milk-bottle drive which the occasion promotes. Ann Hardy and Dorreen Guthrie spoke on their trips to the United Nations in New York and to the United Nations Summer School in Banff respectively. The other speakers were Mr. Brown, Ann Stout and Aubrey Tingle.

Dress-up Day

Dress-up, as usual, proved to be one of the most amazing and successful events of the year. On each of several occasions during the term on which it was held, a marvelous transformation took place. Suddenly the students' appearance took on that of young ladies and gentlemen. The improvement in manner was as noticeable as that of the appearance in the dress. It need hardly be said that these days were a boon to the school's morale and general appearance.

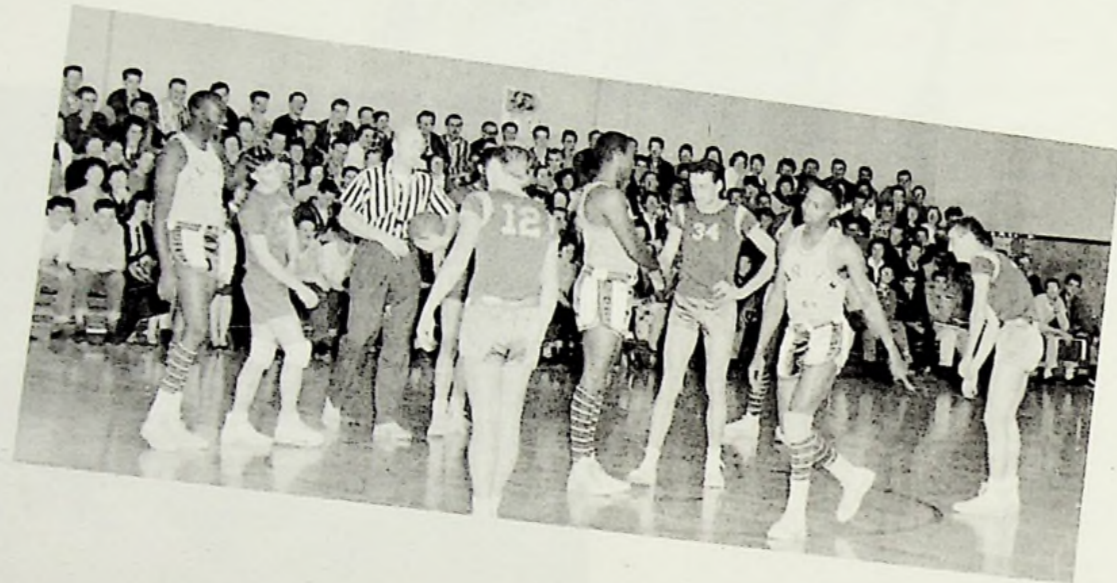

EASTGLEN NIGHT LIFE

During the 1959-60 term, four evening school-wide dances were held in the Eastglen auditorium. The Social Board arranged a November dance, "Schmoo Shuffle," to commemorate Sadie Hawkins Day. Both students and teachers arrived attired in original "Dogpatch" costumes. The Christmas season, marked by the "Snow Ball" dance, soon followed. A novelty of the evening was a "Santa and Rudolph" skit. A combined Valentine-Leap Year dance, "Cupid's Leap," was the first dance of the second semester. Girls who attended participated in an hilarious proposal contest. The final school-wide dance was "Bunny's Bounce," which many thought to be the year's most successful dance. The Social Board throughout the year did fine work in arranging programs, music, and decorations, while both Mr. Dymaniw and Mr. Blacklock did greatly appreciated jobs as masters of ceremonies.

Musical

THIS YEAR, INSTEAD OF EACH HOUSE PUTTING ON A LITERARY, AS HAD BEEN DONE
IN PREVIOUS YEARS, ALL FOUR HOUSES COMBINED THEIR TALENTS AND STAGED
A MUSICAL "EXTRAVAGANZA". THE PROGRAMME WAS APTLY ENTITLED
"MUSICAL MADNESS". THE TWO PERFORMANCES OF THE "LIT" ON FRIDAY
AFTERNOON AND EVENING WERE ENTHUSIASTICALLY RECEIVED BY SELL-OUT

AUDIENCES. THE THEME OF THE "LIT" WAS A JOURNEY THROUGH TIME TO OBSERVE THE VARIOUS FORMS
THAT MUSIC HAS TAKEN. THE TRAVELLERS VIEWED EVERYTHING FROM A PRIMEVAL CAVE-MAN CELEBRA-
TION, A SEVENTEENTH CENTURY MINUET, A BALLET, AND A COUNTRY FOLK GATHERING TO AN EERIE
INTERPRETIVE DANCE. AS THE CHRISTMAS SEASON WAS IMMINENT, A ROUND OF CAROLLING
WITH AUDIENCE PARTICIPATION FOLLOWED.

World Refugee Game

Another first in sports happened at Eastglen.

On January 8th, Eastglen students were treated to a novel basketball game featuring the touring World Refugee team against the Eastglen boys' houseleague team. The refugee team consisted of Mr. Dymianiw, Mr. Allen, Mr. McLean, Mr. Blacklock, Mr. Falkenberg and Mrs. Brooks, who were all gaily garbed in uniforms symbolic of several refugee countries. The referee, Mr. Brown, added much excitement to the game with his "blindman" antics.

Although the Eastglen team suffered a few setbacks resulting from fouls, they managed to scrounge six points as compared to the refugee's sixteen. (The announcer, Ken Dewar, gave an exciting play by play account of the game.)

A silver collection was taken at the door and the proceeds, amounting to \$29.00 were donated to the United Nations World Refugee Year Fund.

"MRS. McTHING"

The four performances of Mrs. McThing, which was produced by the Eastglen Composite High School Drama Classes, amused and delighted its large audiences on March 10, 11 and 12. Mrs. McThing, one of the major productions of the year, was chosen because of its character analysis and because this type of play is different from any other play that has been produced on Eastglen's stage.

The fantasy-comedy, written by Mary Chase, contained many unusual and fascinating characters which delighted any one who saw the play. The settings alternating between the plush Larue Towers and a shabby Shantyland poolroom, set the stage for this light comedy of witchcraft and misdeeds on the part of all the players.

A great deal of thanks goes to Mr. O'Brien and his very efficient cast and backstage crew for presenting such a thoroughly enjoyable yearplay.

TRACK MEET

On June twenty-sixth, Eastglen successfully defended its track and field championship. The Eastglen teams as a whole breezed past their competitors, breaking the tape with a total of 162½ points — twenty more than the nearest rival. Out of the seven trophies that were awarded, Eastglen captured four: the Junior Girls' Aggregate, the Intermediate Boys' Aggregate, the Total Boys' Aggregate, and the Total Aggregate.

The track program at Eastglen started one month before the meet. Many enthusiastic athletes, who must be congratulated for their efforts, attended these vigorous training sessions.

Mr. Allan, Mr. Dymianiw, Mr. Falkenburg, and Miss Bird are to be congratulated for coaching the teams to victory.

Awards Night

Over one hundred fifty students and their parents attended the Awards Night ceremony on June third. Awards for Athletics, Industrial Arts, Academic, United Nations, Service and Citizenship, Home Economics; trophies for Drama and Track and Field; and scholarships for several Grade Twelve subjects were presented. A new set of Encyclopaedia Britannia was presented to Mr. Wiedrick, the school librarian. A tea followed the ceremony.

The following awards, in addition to those listed in the Awards Section, were presented:
